ERMGC NEWS

Retiring from the ERMGC Board of Directors:

- **Bill Eblen**, currently Tournament Chairman and Vice President.
- **Chuck Koscielski**, serving most recently as Handicap and Membership Chairman
- **Doug Scarfeo**, our Webmaster and Newsletter Publisher
- **Mickey Scoffin**, recently Membership Chairman

Each of these individuals has served 3-5 years on the board and they have dedicated (literally) thousands of hours to make our men's club one of the largest and finest in San Diego County. They have put their skills, their personalities, and their hearts into the boiler room grunt work that powers this club. We owe them "big time," and we will miss them more than we can express. The next time you see Bill, Chuck, Doug, or Mickey, tell them "Thank You!"

ERMGC NEWS

(continued from Page 1)

Welcoming New Directors:

- **Mike Giblin**, volunteering as Membership Chairman. Mike has served on the boards of several athletic and charitable organizations in this area. He has committed to spend some of his time to serve the club in maintaining the club roster and as the key contact with the SCGA on membership details.
- **Nicolas Trajkovic**, volunteering as Webmaster. Nic has been a regular participant in club events, and is involved in website development and management as a business. He has committed to help us maintain our club "connectedness" via the Internet.

These two members have stepped up as volunteers to serve the club. They begin officially to serve our organization as of January 1, 2006, but are already transitioning to their new duties. We are grateful that Mike and Nic have come forward to fill the 'big shoes' of departing directors.

This club needs you!

Your participation makes a difference. When you play in our Wednesday Sweeps, when you play in our monthly weekend tournaments, when you sign up for SCGA Thursday Team Play, Saturday Team Play, or SD County Senior League, you energize one of the best golf clubs in the area. This men's club is only seven years old, but is proud to have a roster of over 700 members—one of the largest in the county.

With such a large and diverse membership, we are challenged to meet everyone's expectations. Most of the club's activities are organized and managed by a handful of volunteers on the board of directors. If you read the preceding paragraphs, you may recognize that we are in a transition phase on our board of directors.

We need three or four more members to commit to volunteering their time and energy to maintaining the standard of excellence established by the ERMGC.

Please email if you have comments and especially if you can make a commitment to serve our club!
